

Mental Health Reform

Promoting Improved Mental Health Services

Dear Taoiseach and Ministers Varadkar, Lynch, Howlin, O’Sullivan, Burton, Kelly and Coffey,

As you finalise Budget 2016, we are asking you to invest in mental health. Please honour your Programme for Government commitments on mental health by agreeing to:

1. An additional €35 million for community mental health services in 2016, including for children and adolescents
2. Investment in counselling and psychology services
3. Funding for mental health promotion in primary and secondary schools
4. Funding for designated housing for people with mental health difficulties

Please fund these much needed supports in Budget 2016.
