Promoting Improved Mental Health Services

## MEMBERSHIP APPLICATION FORM

### Why should my organisation join Mental Health Reform?

Our strength is derived from our membership. Mental Health Reform relies on its members for their experience, skills and ideas. Our strong membership allows Mental Health Reform to promote improved mental health services in Ireland. With our members, Mental Health Reform is establishing itself as the umbrella organisation of the mental health reform movement in Ireland.

The benefits of membership include, but are not limited to:

- Opportunity to press for the implementation of A Vision for Change
- Participation in the movement for reform of the mental health services in Ireland
- Updates on strategic developments in mental health
- Notification of upcoming events relating to mental health
- Profile your work on [www.mentalhelp.ie](http://www.mentalhelp.ie) and [www.mentalhealthreform.ie](http://www.mentalhealthreform.ie)

### Who can become a member?

MHR offers both governing membership and associate membership to organisations who share our vision and values.

**Governing membership** is open to not-for-profit/non-governmental organisations.

**Associate membership** is open to all non-governmental organisations including unions, professional associations, training and education bodies and those who provide inpatient mental health services and/or are approved centres. While Associate Members do not participate in the Board structures of MHR and do not have voting rights at Annual General Meetings, their participation is an integral part of the movement to improve mental health services in Ireland.

Statutory bodies or organisations established by or within statutory bodies, local authorities, governmental agencies and state entities are not eligible for membership of MHR.
